Apple users are also of the school of thought that app access revolutionizes betting experiences. They are not left by the sportsbook in this regard. Their application can be fetched from Betway South Africa's official website. To have an easy, peasy download expedition, the steps below might just be your right travel ticket:

Visit the Official website of the sportsbook; Click on the download Icon for Apple devices; You will be diverted to the Apple store where the app can be transferred from; Hit on the app to download, then log in by inducing your existing username and password; If you are a new user then register with the sportsbook;
